If you require information regarding the presence of allergens in any of our food and drink, please ask your server who will be happy to provide this information. Whilst dishes may not contain a specific allergen, due to the wide range of ingredients used in our kitchens, foods may be at risk of cross contamination by other ingredients.

Fuller's Charity

for every child's meal sold, we give 50p to the Shooting Star Chase Hospice.

"Shooting Star Chase is a leading children's hospice charity caring for babies, children and young people with life-limiting conditions, and their families.

Whether lives are measured in days, weeks, months or years, we are here to make every moment count. We support families from diagnosis to end of life and throughout bereavement with a range of nursing, practical, emotional and medical care.

Our bespoke support is free of charge to families and available 365 days a year. Our care service includes short breaks at our two hospices (Shooting Star House in Hampton and Christopher's in Guildford), Hospice at Home, day care, symptom management, end-of-life care, bereavement care and a comprehensive range of therapies and support groups for the whole family.

It costs £10 million a year just to maintain our current level of care. Around 10% of that income comes from government funding, so we rely on our supporters' generosity to keep the service running. What's more, we know there are many more families desperate for our vital support, so it's crucial we raise more funds to provide more care."
